About us

Popular parag food product, baking company bakes the best form of Rusk. We are manufacturer of appretizing and yummy Crispy Rusk. From a decade, taste of our Rusk is been served as favorite snack. Love of our customers for our delicious rusks can be seen as by the demand of our rusk in this competitive market. Long years of market standing depicts our conviction, passion and hard work. Learning from challenges and our experience we are growing by embracing new developments of the baking industry.

Health and Wellness with Jai G

Different from other snacks but yet enjoyable, rusk have its own delightful taste. Being in this competitive world we still consider health and wellness as the priority while delivering goods to you. We feel that its our duty to deliver the best baked rusk for you as the world is growing towards pollution and duplicacy of different eatable items. We personally watch out over the baked items over baking process. Jai G Rusk elevates the everyday rusk with a pinch of Elaichi and milk to make it crunchy. Jai G rusk gives the right flavours of rusk bread in your cup of tea to create perfect harmony of taste and pleasure. You can also pair your rusk toast with a dollop of jam, jelly or butter for a quick, crispy snack. We as the company ensures to deliver our best and pocket friendly for every class of people around us.
